1901-02

Sir,

When last I was at Melkote on the 2nd instant, on inspection I noticed that the Vahanams of the Sri Narayanaswamy temple had been placed within the temple premises. As there is a separate Vahana Mantapam opposite it, I consider it advisable to keep the Vahanams there.

it appears enough to accommodate all the Vahanams

2. The mantap, at present being not provided with a door, it may perhaps require one at least to half its height.

3. I am therefore desired to request that you will be so good as to have an Estimate prepared for the preparation of such a door and submit the same to this Office early.

Yours &c

De puty Commissioner's Office,

Mysore District,

Dated Mysore, 10th October 1905.

To

L.Anantha Swamy Rao Esquire, B.A.,

Secretary to the Government of Mysore

Muzaroy Department,

Sir,

In forwarding herewith the file of vernacular papers received with the French Rocks Division Assistant Commissioner's Memo No.518/296 dated 9th October 1905, I have the honor to state as follows:-

2. Government in their Proceedings No.2137/Muz F.150- 9 dated 5th May 1903, sanctioned an estimate amounting to Rs.447 for providing gates to the Vahana mantap attached to the Sri Narayanaswamy temple at Melkote, the cost being debited to the Savings reported to be available at the credit of the temple.

3. Mr.K.Sreenivasa Rao , Assistant Commissioner French Rocks Division, while submitting a revised estimate with a comparative statement and a bill for the work done, states that he inspected the work on the 7th October 05 and found the work well done adding that the estimate for the work seems to have been very perfunctorily, prepared and did not provide for certain necessary items.

4. He further adds that the Melkote Industrial School manager who undertook the work was not given the working plans and necessary instructions and as a consequence when the work was completed the estimate had been exceeded and recommends that the sanctioned amount may be caused to be paid to the manager as otherwise the institution is likely to suffer.

5. Under the above circumstances, Government may be pleased to accord their sanction to the excess work viz,

Rs.101-13-2 done (Vide revised Estimate here in enclosed) and transmit the accompanying measurement bill for Rs.447/- to the Comptroller, Mysore Government for favor of audit and return.

6. The measurement book also accompanies for reference and kind return.

I have the honor to be,

Sir,

Your most obedient servant.
